

**Event:** 26<sup>th</sup> Annual LRP's Special Education  
School Attorneys Conference  
**Date:** January 15-17, 2020  
**Location:** Roosevelt, New Orleans

The Special Education School Attorneys Conference seeks to offer a content-rich program full of tools and techniques used when representing school districts in special education matters. Now in its 26<sup>th</sup> year, the conference with its nationally recognized speakers continues to be a must for all school attorneys.

Attendees must be attorneys who do not currently represent parties with special education interests adverse to school districts. These criteria apply only to the individual attorney and not to other attorneys in the registrant's firm or attorneys with whom the registrant may be associated. The audience ranges from entry level practitioners to highly experienced and advanced individuals in the legal profession.

We are looking for presentation proposals to speak at the 26<sup>th</sup> Annual Special Education School Attorneys Conference. Litigation trends, strategies for improvement and innovative approaches, "best practice" case studies, and discussions of specific disabilities are all topics of interest to the conference's audience. The promotion or endorsement of specific products or companies is strictly prohibited. All sessions must include specific strategies for attendees.

#### **Types of sessions and requirements:**

Half-day Workshop (3.0 hours)  
Breakout Session (75 minutes)  
Ethics (60 minutes)
